

Full Soak Bath Drain

From The Keeney Manufacturing Company

Innovative Solutions for the Modern Plumber

Increase tub soaking depth with stylish push open/close overflow

- Fits most tubs up to 22" deep
- Foot Lok drain stopper
- 1-1/2" PVC schedule 40 tube

Description:

Enjoy a deeper and more luxurious bathing experience with our full soak bath drains. The unique overflow feature allows your water to rise to a greater depth than conventional drains. The universal fit drains are finished in chrome, brushed nickel and bronze.
